

The Hartt School  
**UNIVERSITY OF HARTFORD**

Academic Studies Division  
Bachelor of Music – Composition

### **Mission Statement**

The Bachelor of Music-Composition prepares young men and women for professional careers as composers.

### **Student Learning Goals**

1. Students will be able to demonstrate a thorough knowledge of compositional techniques, both traditional and experimental, for a range of ensembles: chamber, vocal, orchestral, and electronic.
2. Students will be able to demonstrate knowledge of a wide range of contemporary repertoire and historical periods.
3. Students will be able to display technical and artistic facility with new music technologies including computer notation, recording techniques, and sequencing/synthesis.
4. Students will be able to coordinate, coach, and produce their own music in live performance.
5. Students will be able to explain traditional and experimental works in terms of their historical and theoretical underpinnings in both written and verbal form.
6. Students will have knowledge about the state of the field of composition and an understanding of how to manage their prospective careers.
